The FLORIDA PARISHES region consists of eight south Louisiana parishes which were part of the French colony of Louisiana until 1763, the British province of West Florida until 1779, the Spanish colony of West Florida until 1810, and the Republic of West Florida from September 1810 until December 1810 when the region was annexed as part of the Territory of Orleans, which was admitted to the Union as the State of Louisiana on April 30, 1812.

The ACADIANA region is made up of twenty-two south Louisiana parishes unique primarily because of the strong French Acadian culture, language and traditions.
