Welcome to Tennessee!

We're glad you have chosen to visit our state. In Tennessee, you will drive along a highway system named one of the top five in the nation for the past 17 years. While visiting, we hope you will spend time at some of Tennessee's new attractions like Dollywood's DreamMore Resort in the foothills of Great Smoky Mountains National Park, the Bass Pro Shops at the Pyramid in Memphis or Birthplace of Country Music Museum in Bristol, In Chattanooga, Knoxville, Memphis, Nashville and all throughout the state you can experience beautiful landscapes, tour important American history sites, visit family-friendly attractions, and listen to our music that delivers "The Soundtrack of America." Also, be sure to enjoy some Tennessee barbecue – recently named best in the U.S. by TripAdvisor. Enjoy Tennessee. We hope you will visit often.

Safety is a Priority
Major safe-driving, public awareness programs for safe Tennessee highways include:

- On most rural interstates, the speed limit is 70 mph. Lowered limits in urban areas.
- Blood Alcohol Concentration limit in Tennessee is .08%.
- "Move Over" on Tennessee interstates when emergency responders are positioned on the shoulder or in a lane.
- The Tennessee Yellow DOT Program is designed to provide first responders with an individual's medical information in the event of an emergency on Tennessee's roadways.
- The Protect the Queue movement stresses to all TDOT employees and partnering agencies the importance of protecting drivers caught in a traffic queue with significant warning of what's ahead.
- TDOT promotes "quick clearance" of highway incidents.

TDOT Comments
TDOT Comments allows citizens to share comments, concerns, suggestions and complaints. The email is monitored by TDOT Community Relations staff in Nashville, and is checked several times daily. Those who leave contact information will receive a response within three days. *TDOTCommentsMail.gov*

Tennessee Vacation
It's a feeling and spirit that lives in every string played, every road traveled and memory made. It's the beauty, the music, the creative spirit, the experiences, the family vacation and the history. It is "The Soundtrack of America, Made in Tennessee."

The Music
It's the foot-tapping, head-bobbing, soul-saving kind–country, blues, rock, and everything in between. It's where it all started and never stopped. It's not just heard on headphones, but on stages, porches and street corners. You can't download it. You can only experience it. It's the Soundtrack of America, Made in Tennessee.

The Creative Spirit
It's the stuff America was built on, that is alive and well within these borders. This creative spirit is infused into every sip of oak-barrel-aged amber gold and every bite of "I've-died-and-gone-to-heaven" cooking. It's felt in every note played, every song written, every trail forged. It's one of the few things left you can't get at the touch of a button that is crafted by artists, visionaries, pioneers and Made in Tennessee.

The Experiences
They're the kind that take your breath away and remind you what it feels like to be alive, catching a glimpse of life under the sea or on top of the world, walking in the footsteps of soldiers, legends and kings. It's a feeling, a connection that can only be Made in Tennessee.

The Family Vacation
It's the ones you don't just remember, but replay over and over again, when hearts skipped a beat, stomachs filled with butterflies, and eyes opened up to the wonders of the world. This is a trip that not only defines a summer, but defines a family. It's a reunion that can only be Made in Tennessee.

The Beauty
It's the kind we didn't think existed anymore: mountains rolling in like waves, rivers sculpting the landscape, fog so thick you can't tell where the world ends and heaven begins. Finally, a reason to put down our phones and experience a moment of complete awe that can only be Made in Tennessee.

The History
It's the stuff you can't find in a book or on a Wikipedia page. Tennessee's history lives in the heavy silence of century-old battlefields and the distant twang of age-old strings. Here, you have a rare chance to unplug from what is, relive what was, and go back to the places and the stories that can only be Made in Tennessee.

Welcome Centers
The Tennessee Department of Tourist Development operates 16 welcome centers along the interstate highway system. These centers are staffed 24 hours a day, seven days a week, except for the I-40 Shelby County Welcome Center at Riverside Drive, which closes each evening. The Tennessee Department of Transportation operates 19 additional rest areas. See locator on the back cover of this publication. All facilities provide information racks, restrooms and vending machines. The centers do not provide garbage waste dumps and overnight parking is not allowed. In case of an emergency, call 911 or *(star) THP.
