

This is a detailed map of the state of Missouri. The map displays the following features:

- Counties:** All 114 counties of Missouri are outlined and labeled.
- Major Cities:** Large cities are labeled in bold, including St. Louis, Kansas City, Springfield, Joplin, and St. Charles.
- Highways:** State and federal highways are shown as orange lines with their respective route numbers (e.g., I-44, I-70, US-63).
- Rivers:** Major rivers such as the Mississippi, Missouri, and Kansas are depicted in blue.
- Geographical Features:** The Ozark Plateau is highlighted in the southern region. Various mountains and hills are labeled with their elevations.
- Neighboring States:** Portions of neighboring states (Nebraska, Arkansas, Oklahoma, Illinois, Kentucky, Tennessee, and Louisiana) are visible at the edges of the map.

This is a detailed map of the state of Missouri. The map displays the following features:

- Counties:** All 115 counties of Missouri are outlined and labeled.
- Major Cities:** Large cities such as St. Louis, Kansas City, Springfield, Joplin, and St. Joseph are prominently labeled.
- Highways:** A network of roads is shown, including major interstate highways (e.g., I-44, I-55, I-70) and U.S. Routes (e.g., US-50, US-63, US-67).
- Geography:** The map shows the Mississippi River flowing along the eastern border, the Missouri River along the northern border, and the Ozark Plateau in the south-central region.
- Elevation:** Various mountain peaks and hills are labeled with their elevations, such as Taum Sauk Mountain (5800 ft) and Iron Mountain (1455 ft).
- Water Bodies:** Numerous lakes and smaller rivers are depicted in blue.
